The drama and mystery of the tropical jungle unfolds after dark at the world's premier Night Safari. As you enter into the sweet-smelling Fragrant Walk, the Bornean Tribal performers greet you with tribal dances and fire-eating stunts.

Creatures from 8 geographical regions greet visitors from their own naturalistic enclosures, which simulate that of their own homeland.

Apart from the tram journey with live commentary, you can also explore Night Safari on foot at the three walking trails*** and be able to come face to face with free flying bats & giant flying squirrels at the Leopard Trail.

Catch the nightly Creatures of the Night Show, which features the survival and predatory skills of our nocturnal animals.
